

We're In The Neighborhood

Our office is located in the center of South Bronx development activity, which provides us with quick and easy access to your asset

We Know The Neighborhood

Our intimate knowledge of South Bronx transportation, restaurants, entertainment destinations, hotspots and relationships with key influencers give us the edge needed to create connections for our clients

We Work The Neighborhood

Our track record is excellent with multiple deals executed in the neighborhood. Our experience helps us provide our clients with a seamless transaction process from start to finish.

What We Offer

In the 21st century, it's only reasonable that a digital approach to marketing and sales is key to finding the right interest. At South Bronx Luxury Real Estate, we provide high level tech-centered brokerage services to ensure **buyers/tenants** find their ideal luxury property and **owners/landlords** find the perfect opportunities to rent or sell.

Our full service marketing team has the capacity to build out digital campaigns specifically tailored for email blasts, social media posts and search engine optimized websites. Our licensed sales team members are expert negotiators and proudly represent our clients to the fullest extent of our duties.

We work harder for you!
Our goal is to create happy and prosperous landlords, tenants, owners, & buyers.

Our commitment to you will always be:
